LOST

26 Mar. 2023 @ Grand Ave, London EC1A 9PS

Last Sunday morning on the 26th of March, I lost a tote bag in the Grand Avenue of the Smithfield Market with a case of glasses in it, while waiting on a taxi. Here is a short description of the items, with the corresponding pictures: i) a tote bag with a blue, yellow and orange motif; ii) a case of glasses with a light blue, yellow, white and black motif; iii) black glasses of the brand Dandy´s - Optical Nerio line. Happy to pay $50 finders fee. Thanks! (Bob, 29 Mar. 2023)
