

LOST

19 Nov. 2022 @ castle centre

Heyy, I lost a gold bracelet at the Castle Centre in Elephant and Castle on Saturday 19th Nov around 3/4 pm around the swimming pool. I've definitely dropped it and someone might've picked it up as nothing has been handed into reception... it is of great sentimental value to me and I would be eternally grateful if someone has found it. Big reward offered if found ???? (Emily Kwok, 23 Nov. 2022)
