

LOST

26 Apr. 2017 @ Tenerife

She is about 9 inches tall with a pale pink body and a pale yellow quite dirty head and paws. She has been with me since I was born and I really miss her, if there are any traces please contact. I lost her as she was picked up with the laundry for my hotel bed and they could not find her in the laundry. So please contact me (Zoe, 30 Mar. 2020)
