

LOST

12 Jul. 2019 @ 4th Avenue at Waterloo, British Columbia

This is very long shot but I just found out about this option. My child lost his beloved (and still cried for) Teddy Bear "Iso". A year later he has not lost hope about reuniting with him again and he is now 6yo. He gets very sad every time he remembers him and his hopes for higher as we saw the news about Mara's bear reuniting with her. So I decided to give it a try once again. Iso was also inside a backpack, it was a blue Superman stringed backpack which made harder to find him. (Kristal, 29 Jul. 2020)
