

LOST

13 Sep. 2019 @ Wardor street

Hi, I have lost my mustard yellow card holder/ wallet. With bank card & very very important document, my visa for UK (BRP) card with my photo & name. Also have white office passcard named Recipe on it and a picture with my friends in it. Same as you can see In attached photo of my wallet. I think I lost/dropped it walking between Regent street to China town last night somewhere btwn 7pm-8:30pm. If anyone finds it please contact me on my email. I will pay £50 as a reward. Thank you.
