

# LOST

## **01 Sep. 2024 @ 1 Ulster terrace**

I lost my favourite bracelet that a relative gave me, it's not worth anything but has a lot of emotional value to me. I lost it at the entrance of Regent's Park near ULSTER TERRACE next to the first tree. I couldn't find any pictures of it so I tried to draw it the best I could. It is black leather bracelet with a round metallic bead. Thank you for reading. (Sophie , 01 Sep. 2024)
