

# LOST

## 17 Jun. 2022 @ Honolulu airport or Hilton Hawaiian Village

I lost a blue Canon PowerShot D30 Waterproof Digital Camera. The last picture was taken in the hotel room of my family packing before leaving for the airport. Many of the pictures are from the Hilton Hawaiian Village Lagoon where we were paddle boarding and peddling the water tractors. Special memories of my family and would really like to get them back. (Roy, 22 Jun. 2022)
