HELP I'm lost. I was in Merthyr Mawr, South Wales with my owner but unfortunately they dropped me on the road leading to the sand dunes. Someone came and tied me to a gate post so I wouldn't get run over. I was there for a while and got soaked in the storm. Someone else came and brought me back to their house. They've named me Merthy after where I was found. It's nice here because the person who found me, loves bears. It's not my home though. I hope my owner reads this so I can be posted home.
