To the Non-USA Dude Pictured.... Hi, I use Imgur. It's a place to post original content, memes etc. all the internet offers. A post in October 2018 showed someone found an OLYMPUS CAMERA with 1000s of photos in Seattle, on or near the 8 Oct 2018. He posted some photos and request for others to share the info in the hope of finding you. It was a little vague. I followed up with him to see if there was a result - no luck with his efforts. I'm trying a few other means. I have other pics. Cheers, NL (Neal, 08 Jan. 2019)
