

LOST

06 Jul. 2024 @ Calgary Airport

\$1000 Reward - Lost Camera Please help I lost my digital camera at the Calgary stampede on Saturday (06 July) between 6pm and 8pm, either in the Uber or at YYC airport. I recently came to Calgary as part of a longer once in a lifetime holiday to Canada. The camera has all of our memories from a 2 week road trip across the rockies. If you took an Uber on Saturday and happened to pick it up, or found it in Calgary airport, we are desperate to have the photos returned. (Barney, 08 Jul. 2024)
