

# LOST

## **25 Aug. 2024 @ London**

I lost my Bulgari watch and Cartier bracelet (both were in a small Kate spade pouch in my handbag) which are missing. We believe the pouch might've slipped from my handbag we were walking on the streets of London as we are tourists. We will reward anyone who finds this and returns. Please thanks (Nivvi, 05 Sep. 2024)
