

LOST

20 Nov. 2023 @ London Hyde park

Hi I was biking through Hyde park beside winter wonderland and I think my blue keychain fell someone around that area. It has a Lego man and Eiffel Tower minis on the keychain. If found there is 150£ for it. The keychain is similar to the one posted but has a loop. Thank you (KANIT Al-Khatib , 21 Nov. 2023)
