08 Nov. 2023 @ Junction of haven green, ealing broadway

Hi there, I found a pair of Vivienne Westwood maroon and tartan glasses on the junction of Haven green, walking from the B455 crossing Haven Green road to Ealing Broadway Station. Next to the Caspian Hotel. I was going to leave them on the traffic signal light but it was raining and windy so thought it was better to keep hold of them. Please let me know if you have lost them.
