

LOST

17 Aug. 2024 @ Naxos, Greece

Greetings, I've lost my film camera somewhere on Naxos Island. It is Pentax Spotmatic F, with a case, and I really hope somebody found it. My friend and I were there August 17-21 and mainly visited Chora (Naxos town) and Agios Prokopios beach. Thanks a lot! (Daria , 01 Sep. 2024)
