

LOST

05 Jul. 2018 @ Saint Malo, France

Lost in Saint Malo, France. This is the jellycat bunny after six years of love and adventures. I've provided a picture from abyeat or so ago on another holiday. He has one raggedy ear. We were sure he was left in our hotel room but they have said it is definitely not there. A very sad six year old is missing her best friend. Thank you. (Pauline McCulloch, 11 Jul. 2018)
