

LOST

12 May. 2019 @ Hammersmith

These beloved comforters were misplaced on Sunday morning, after staying at the Rooks Nest pub and the staff exhausting every possibility (inc linen and bins) they may have fallen from our bags on the way to the car that was parked in Redmore Road?? These 3 are very special to my daughter and she is extremely upset and desperate to get them back. (Hayley Libby, 14 May. 2019)
