05 Oct. 2021 @ Northern Velebit National Park

I accidentally found a Canon IXUS camera in the forests of Northern Velebit National Park, Croatia. It contains photos of two girls travelling around the world (will not mention the details to confirm the identity). I would very much like to return it to the owner. The last photo was dated August 4 2021. (Konrad Kiš, 08 Oct. 2021)
