09 May. 2019 @ Gibbon Road, Kingston upon Thames

I noticed this soft toy dog sitting on a wall at the corner where Gibbon Road joins Acre Road on Tuesday 6th. When I passed the same spot on Thursday the 9th he was in the same spot on top of the wall but this time with his ears, arms and a leg torn off. I have washed him and will sew everything back on. He looks like he was well loved before he was lost so it would be nice to get him home. In the mean time he's in a safe place. (José, 12 May. 2019)
