

LOST

26 Mar. 2020 @ Aldi, Bell Green, Lewisham, London

Lost Wedding Ring: Looking for someone to find and return my wedding ring which was lost/stolen in/around Aldi in Lewisham on March 26th. Reward for whoever finds it. It's a plain gold band with inscription inside inc. 'my husband'. It's not a hugely valuable ring but has huge sentimental value, have had it for over 10 years. (J , 18 May. 2020)
