

LOST

07 Aug. 2023 @ Paris

On 7th Aug 2023, I lost my most precious Canon camera with 3 lenses in the Bercy metro station waiting bench at M6 lane towards Bir Hakeim or on Bus #71 (Dugommier to Bercy). I'm in a desperate attempt to get it back or at least the memory card at any cost since it has the best memories of my whole Europe trip with family. If anybody can help by any means I will be grateful to you and I can offer a very good reward as well. Camera Serial Number: 388229000069 nithbhas@yahoo.com + 49 1523 1428965 (Nithesh, 12 Aug. 2023)
