16 Jul. 2018 @ Balos beach, Creta Islande (Greece)

Hi, I found a 32 Go compact flash card on Balos Beach in Creta. Last photo on it was timestamped 08.july.2018, and was taken at Balos Beach where the card was found. On the photos we can see photos from an holiday trip, with pics from Athena and a lot of other locations in Greece an Creta I guess. Card contains around 400 holiday pictures of a father, a mother, and their 10 years old daughter According to pics infos, the author is named Eric Santerre and the camera was a Canon Eos 5d Mark II (Sébastien, 26 May. 2019)
