

# FOUND

**07 Aug. 2018 @ Pr16bh**

Hi, we live in Preston, Elgin street of St. George's road and we have found a cat he is black and white, male has been neutered we have taken him to the vets as he looked in bad shape but they found no microchip or any records. He has one eye barely any teeth left and is quiet abit ragidy. Is he your cat? (Emily , 07 Aug. 2018)
