

LOST

10 Aug. 2020 @ Stevenage

Skittles has gone missing from Shephall Stevenage, we fear she may have got stuck somewhere as she has not been away for longer than 10 days, is very unlike her. Skittles is quite nervous and skittish hence the name and is very much loved and missed. Please check your garages/sheds/outhouses etc. (Lucy, 19 Sep. 2020)
