I recently bought a bike for my girlfriend secondhand Upon closer inspection I have reason to believe it could have been stolen, I would hate for this to be the case and if it is and the rightful owner sees this and can provide proper evidence the bike was theirs I would like to hand it back for a finders fee of £50 as I will lose out of course having paid the guy £100 for the bike (Phil, 23 Jan. 2020)
