LOST

22 Jan. 2023 @ Battersea power station

I’ve lost a triple wrap silver ring with a sea glass (blue) charm attached. I don’t have a photo and the closest I can find online is attached (just imagine the stone isn’t set in the ring but is a charm instead which hangs off the ring) Lost near Battersea power station (but could also be anywhere along 156 bus route) (Katie, 23 Jan. 2023)
