

# LOST

## 17 Jun. 2019 @ London

Hello everyone. Yesterday as I was traveling from High Brooms to Charing Cross on the train, I lost my late mother's engagement ring which I wore on my pinkie and which means the world to me. It has diamonds in a floral shape and on a silver band Please do get in touch if anyone happens to come across it. Thank you. (Dawn Grant, 18 Jun. 2019)
