

LOST

27 Sep. 2009 @ London

To all on this site! Many years ago I lost a teddy bear that was very close to me, I left him in a hotel room in London and he was never seen again! Today I would like to ask all of you if you own or have one that you could spare to give to me. As I recently learned what and where he came from. He was a complimentary gift from Persil in 1996 and I had him for many years before I lost him To anyone, I ask you, please be kind and return one to me. It would mean the world to me (Harry, 08 Jul. 2018)
