09 May. 2019 @ Berlin Friechedich

I left my two sisters (teddy bears) on S3 at around 21.30pm on May 9th at FriedrichStraßer, the train direction is towards Berlin-spandau. one of them is a white sheep another one is a brown moose. They has been with me for 10 years and they are the last thing my grandma left for me. I'm happy to give a 300euro reward to the person who keep them safe! (ziyan, 10 May. 2019)
