

LOST

19 Dec. 2023 @ Netley, Southampton

Our cat Delboy is missing! He has not been home since 19/12/23 at 5pm - this is really out of character for him. He is never normally out for more than a few hours at a time and always comes home for food. We're very worried and would be grateful if everyone could check their gardens, sheds, garages, bins etc and keep an eye out for him! He isn't wearing a collar but is microchipped.
