LOST

25 Nov. 2022 @ Raby Mere (Wirral)

Koda is a male moggy cat. He is microchipped & neutered. He wears a green collar with a bell. He’s a nervous cat. He is all black from the back & has a bushy tail. He has a white tummy, white chest & white neck from the front & sides. He has four white paws & four black legs. His two front legs both have white markings going up them. He has a black head, black nose & black ears. Under his nose he has white markings which look like a bow tie. He has a black chin, golden eyes & long ish fur. (Imogen Hamilton , 21 Dec. 2022)
