On March 10th in Downtown Atlanta at the Sundial Restaurant in the Westin Peachtree Plaza, we found a micro card with several hundred photos on them. The card belongs to a professional photographer. There are several different family pictures on them. The picture I posted is just one of the couples and has been cropped by me to cut out the children. If anyone recognizes this couple they should know who the card belongs to. Thanks. (Traci, 11 Mar. 2018)
